**BE AWARE:** A required inspection is needed every 180 days to keep the permit valid. The Building Official is authorized to grant one or more extensions. Once you exceed 185 days from the permit expiring, a new permit will need to be applied for and approved before further inspections can be requested. Additionally, a building permit will expire and a new permit will need to be obtained if construction is not completed and a certificate of occupancy and land use compliance is not obtained within five (5) years from the date the building permit was issued.
