1. All items on the checklist must be included for an application to be considered complete. If you feel an item is not applicable to your application, a letter stating why the item is not applicable should be submitted in the place of the item.
2. The above checklist may not be comprehensive depending on the project specifics. Per Wasatch County Code, the applicant shall provide any additional information which the County staff, Planning Commission, and/or legislative body may reasonably require in a specific instance.
3. If changes to your application are necessary, you may resubmit your response through the portal. **DO NOT DELETE** any existing uploaded files. Label all new uploads per the same naming convention so that a revision is reflected in the revision column instead of as an additional document. **Deleting documents may delete your plan review and hold up the processing of your application.**
