Using the 500 Foot Tool on the Wasatch County Basemap

1. Visit the <u>County Basemap</u> online. Locate the 500 Foot Parcel Tool in the bottom left corner of the map (circled in red). If you know your parcel ID #, you can go on to Step 2B. Otherwise, search for your property by address (in the top left corner), <u>leaving off the city and state</u>.

2. A. Click on the parcel you searched for (it will be outlined in blue). Locate the parcel ID at the top of the information window that appears over the selected parcel.

2. B. Click the 500 Foot Parcel Tool Button and enter the parcel ID in the search box. Click "Run".

3. An Excel spreadsheet named "WC_Parcels" will be generated after several seconds (click the hyperlink that appears and download it).

4. This spreadsheet contains a lot of information about the individual parcels. The information you are looking for will be contained in columns AJ, and AL-AR.
