

Yearly County Report

January 1

2021

The Noxious Weed law provides that each county is to submit an annual progress report to the Commissioner of Agriculture and Food by January 15 of each year summarizing the activities of the previous calendar year.

County Noxious Weed Management Activities

Please be prompt in filling out the report and returning it to the Department of Agriculture and Food no later than January 15, 2015. The completed report should be returned to:

Aaron Eagar

State Weed Coordinator / ISM Program Manager
UTAH DEPARTMENT OF AGRICULTURE AND FOOD
350 N REDWOOD ROAD
BOX 146500
SALT LAKE CITY, UT 84114-6500

Waterways	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

What are the most critical noxious weed control problems in your county?

What SPECIFIC weed control measures are being planned for the coming year?

A large, empty rectangular box with a thin black border, intended for the user to write their specific weed control measures for the coming year.

Please describe any situations or circumstances that you think the Department of Agriculture should be aware of concerning noxious weeds in your county. Indicate areas where you would like assistance from the Department in solving problems in your county weed program.
