**SPOTLIGHT**

**ANNA LUE NUTTALL WILLIAMS**

**My name is Anna Lue Nuttall Williams.**

**I was born in S.L.C. When I was 15 months old my father was killed in a train/automobile accident. My mother, a 24 year old widow with 3 children, moved us to Smithfield to live with my grandparents. She went to work for J.C. Penney to support us. We moved to Logan when I was 7.**

**I have 2 brothers: Frank Q. Nuttall, M.D. renown for his research in diabetes, and Norman D. Nuttall founder of Nuttall Sewing center. (Are you tired of the commercials?) I have 4 children (Kim, Bruce, Cathie and Pam) 12 Grands and 20 Greats.**

**I met my husband, Jim Williams, at USU. We were married in 1953. In '56 we moved to Pullman, Washington. While he worked on his degree I worked in the accounting office at WSU to keep us fed and sheltered. He graduated with a DVM in 1958 and we moved to Heber, where we started our practice (Arcadia Veterinary Clinic). Not being raised with animals I had quite an education. I learned that cute animals, big or small, can cause you physical damage. Even dogs and cats have a little of the devil in them.**

**When we moved to Heber we joined the Jr. Chamber of Commerce where we met a lot of fun and interesting people who became lifelong friends.**

**We enjoyed entertaining and traveling. I have visited all continents, a lot of islands and most of the USA. Favorite land trip was So. Africa. Favorite cruise was the Amazon.**

**In my younger years (before 80) I liked to boat, ski (water and snow), bike (motorcycle & peddle), jeep, camp, etc. - Most outdoor activities . As a volunteer I was a Cub Scout leader, 4H leader, Pres. Wasatch P.T.A, Pres. U.V.M.A. Auxiliary, and a Hospital Pink Ladies volunteer for many years.**

**Now in my “Golden Years “ I try to keep busy playing in the dirt (yard work), reading, counted cross stitch, puzzles, visiting with family and friends and Senior Citizen activities .**

**I appreciate all the Staff and Workers for making our senior center one of the best in the state . Thank you .**

**~ Happy Trails ~**

# CORAS CORNER

To all our Seniors...just a little info from the kitchen. Hot August Days are here. Enjoy them cuz before long the cold front will arrive.

The Center will be closing for half day on the 4<sup>th</sup> for the Wasatch County Fair. It gives everyone a chance to go during the day. See you there.

We will be having our annual Hamburger Cook-Out on the 17<sup>th</sup>. It will be here at the Center. We will serve at 5:00 pm. There will be entertainment. Come out, have a burger and kick up your heels. Just remember to reserve your meal at least on day in advance and also please remember to cancel if you are unable to attend. This is just a friendly reminder for all meals.

Swiss Miss will be entertaining us on the 24<sup>th</sup> for lunch. They are a talented group of young girls. We will be serving a box lunch that day. Come and support our local group.

School starts the middle of this month. Be aware of all the students coming and going. It can be hectic during our lunches on Tuesdays and Wednesdays. Just stay safe.

Please remember to keep drinking your water. We need it. Until next time, take care...Cora Briggs

## Mike's Blurb

### **Barbie**

There is a new Barbie movie that just came out. This has been giving me flash backs to when my daughters were little and I would get in the shower in the morning and approximately 1,000 naked Barbie dolls would be in the tub. I was cranky for a couple reasons, I had to get a snow shovel to scoop enough of the dolls out to make room to stand up and because I had spent a billion dollars buying Barbie clothes for my girls. Why did they want all those clothes for their dolls when obviously Barbie was a very devout nudist? It made no sense. Perhaps a better question is "Why did I buy them all those clothes?" After years of therapy I have been able to get in the shower without the fear of getting a broken doll arm jammed in the bottom of my foot. Now once again Barbie commercials are everywhere and I have this fear that I am going to open the bathroom door in the morning and a flood of naked Barbie dolls are going crash out and suffocate me.

How is this related to the Senior Center? It's NOT! I just wanted to rant to all of you about how much I loathe Barbie. Thanks for being my therapist.

Don't send me a bill please
