

November 14, 2024

Dear Candidate and voters,

Utah code requires school board office candidates to file financial statements in compliance with deadlines outlined in statute. Utah Code 20A-11-1304, 17-16-6.5. Failure to file the required financial statements within the required deadlines disqualifies the candidate. Further, the county is prohibited from counting votes for a candidate that is disqualified.

It has been determined that Tom Stone failed to file the required General Report financial disclosure within the required deadline. Accordingly, Tom Stone has been disqualified and the county will no longer count any votes for this candidate.

Sincerely,

A handwritten signature in black ink that reads "Joey D. Granger".

Joey Granger

Wasatch County Clerk/Auditor
